

product/81 creative lab.

who we are

“Everything is a product and there is a product for everyone”

Launched in 2008 in Tokyo, product/81 is a Wynwood-based creative lab. We are a team of forward-thinking individuals from a wide-range of disciplines and backgrounds in advertising, literature, design, journalism and finance. We provide alternative creative solutions to businesses using a hyper-local and organic approach. At the root of our work is collaboration and experimentation. In short, we are culture designers.

who we're looking for

Filmmaker/Editor

The Filmmaker/Editor will prove a key creative voice in our lab. In this role, you will create and develop original video content for various creative projects covering South Florida lifestyle, special events, sporting and cultural events.

- Proven experience as a visual storyteller for featured stories, entertainment and short form doc style content
- Knowledge and experience using Final Cut pro, Dreamweaver, After Effects, Adobe Premiere, Adobe CS, Motion Design, Color/sound, Canon DSLR video shooting (5d/7d)
- Bachelors degree in film/editing, journalism or related field. Or equivalent professional experience
- Spanish language proficiency a plus

what we love

- A natural visual storyteller who can meet client expectations without compromising creative vision
- A self-starter with a make-it-happen attitude who can film, edit and produce content under pressure
- Invested and engaged in the local community and authentically understands audience
- A collaborative spirit who can work well with a team and contribute to creative brainstorming

fine print

Competitive pay (based on experience). Healthcare. Paid vacation. Lots of office perks.

where do I sign up?

Good question. If you want to work on amazing creative projects in an open and experimental environment, send us your resume and demo reel to jobs@product81.com.
